

Kavian Darvish
10 Morrison st - Toronto, ON M5V2T8
Kavian1991@gmail.com

“Full Stack Web Development” graduate from University of Toronto with experience in responsive web apps and a creative background in multi-medium modern and digital arts/design. Skilled in HTML, CSS, JavaScript, Node, React and Python. Successfully finished multiple projects such as APPSchat, Business-Qard and a CLI based SMS system through integration of a USB SIM card reader and Unix using Python. Passionate about approaching programming challenges from different angles and to be inspired by working with experienced software engineers. Positioned well to provide unique perspectives on how end-users interact with websites and software platforms by leveraging my background in marketing and sales.

Work Experience:

- Supervisor | Diesel Yorkdale | 2017- 2019
Started as part-time, eventually became full-time and was promoted to Supervisor.
